# Our Mission

Founded in August 2020, **STEM to the Sky** is a student-led 501(c)(3) organization aiming to help middle and high school students explore careers, fields, and opportunities relating to science, technology, engineering, and mathematics (STEM) by interviewing professionals in STEM. Through each interview, we hope to provide unique stories full of experiences and advice, empowering the younger generation to chase after their biggest curiosities and dreams. We also strive to showcase diversity in terms of careers and people as we advocate for a more equitable STEM community.

*Content Development*

# Your Impact

As a sponsor of STEM to the Sky, you will greatly contribute to the growing STEM accessibility and awareness movement. Monetary sponsorships make it possible for us to continue our day to day operations by covering the costs of maintaining our online platform, purchasing merchandise and other supplies for events and in-person speaker panels. With your support, we can help spread a love of science to the next generation of creative thinkers.

## Sponsorships

Sponsorships and contributions come in many forms. Here are some examples of ways you can contribute.

- **Monetary organization or company sponsorship**
- **Private donation**
- **Contribute free platforms and services**
- **Press coverage**
